

LONG YU
Food machine

SV700E 双色曲奇机
Two-color cookie machine

Product Specifications

Designed for product diversity and efficient production, the SV700E Dual-Color Cookie Machine utilizes a three-feeding system to produce dual-color cookies and filled products with exceptional consistency. Its 9-row configuration provides increased capacity while offering greater flexibility than conventional single-color systems.

Modular functions, including twisting, wire-cutting, bar cutting, and optional jam depositing, allow manufacturers to expand their product portfolio with more than 60 cookie designs. Integration with Automatic Tray Loading Systems further enhances automation and reduces manual handling, delivering reliable performance for modern bakery operations.

Product Introduction

Product Dimension	240*156*165cm	Power	6.6KW
Net Weight	900KG	Production Capacity	200-500pcs/min
Voltage	380VDC	Finished Product Weight	5-40g

Available Optional Fittings

Forming Attachments

Adapts to different product textures and ingredients for optimal shaping results.

Multi-Layer Filling System

Expandable to support customized multi-dough and filling combinations.

Processing Range

Shanghai Longyu Eletro-Mechanic Technology Co., Ltd
